

**2010 OP District
Cub Scout Day Camp
"100 Years of Scouting"
Monday-Wednesday,
June 28-30, 2010**

Chaperone Information

WHAT IS A DAY CAMP CHAPERONE?

Your job will be to escort a group of Scouts to their designated activity areas throughout the day. You will be asked to help sing, yell, act, paint, march and basically have fun with Scouts all day! Your pack will need 1 chaperone for every 5 Scouts for each of the 3 days of Camp (and each Tiger must have his own.

Please consider volunteering to chaperone for ½ day, 1 full day, 2 days or all 3 days, it will be a time you will never forget. Sign up with your Pack Day Camp Coordinator.

DUTIES AND RESPONSIBILITIES

Daily routine:

Gather your Scouts at their patrol site inside the BP Pavilion each morning and take attendance.

After reviewing the daily schedule, guide the boys to their activity areas using the buddy system. You will be given a map and schedule for each day.

Make sure you have a watch. (Punctuality is important to insure that the boys have enough time at each station.)

Each group will carry a packet with emergency procedures and maps.

Feel free to offer help to the staff at the different activity stations.

Help the boys practice a song or a skit for the Family Campfire.

Hand out any papers provided (e.g., family night flyers), and help Scouts keep track of belt loops earned at camp.

After the daily closing flag ceremony, gather your Scouts again at their patrol site inside the BP Pavilion. Hand out any provided flyers for Scouts to take home. (An adult staffer will be on hand to handle parent sign-outs of their children.)

You will always have well informed and trained staff around you at all times, so please do not hesitate to ask for any help you may need.

Chaperones are allowed in the pool with the Scouts during swim time, so pack a swimsuit and towel. (There is a separate changing area for adult females and males).

If you are willing and in attendance, you may be asked to help coordinate dinner for Family Night on Tuesday.

SUGGESTION: Bring your own small backpack or bag, extra sun block, bug spray, hand wipes, etc. **Don't forget to bring a lunch and water bottle for yourself!**
